Join in C wool and rib 5 rounds, then rib another 12 rounds in M wool, another 5 rounds in C wool and another 12 rounds in M wool, working 2 tog twice at the end of the last needle (58 sts). This completes the wrist. Change to No. 14 needles and work in the following patt:—

1st round: K in C.

2nd round: K in C.

3rd round: (work in C) * k 1, drop the next st down 2 threads, put the needle through the dropped st and the 2 threads and k as 1 st; rep from * to end of round.

6th round: (work in M) * drop the st as before and k the 3 strands as 1 st, k 1; rep from * to end of round.

These 6 rounds comprise the patt which is used throughout the glove. The palm is worked in alternate stripes of 3 rounds of C and 3 rounds of M. The fingers are in M only. Rep these 6 rounds until 2¼ ins have been worked in patt, ending with a 3rd patt round.

THUMB OPENING: K 1, slip the next 9 sts on to a spare needle,

cast on 9 sts after the k 1, then k to end of round. Cont in patt on these sts until another 2¼ ins have been worked. Break off the C wool and with front of glove facing commence working for fingers as follows:—

1st FINGER: K the 1st 8 sts, then slip all but the last 9 sts on to a spare needle, cast on 3 sts and k the last 9 sts. Divide these 20 sts on to 3 needles and work 66 rounds in patt in M.

68th round: * K 2 tog; rep from * to end of round. Break off wool and draw through rem sts. Fasten off securely.

2nd FINGER: K the next 7 sts of round, cast on 3 sts, then k the last 7 sts of the round, and pick up and k 3 sts from the base of the 1st finger. Divide these sts on to 3 needles and work 75 rounds in patt. Finish as 1st finger.

3rd FINGER: Repeat as given for 2nd finger, but work only 66 rounds in patt.

5th FINGER: K the rem 13 sts and pick up and k 3 sts from the base of 3rd finger. Work 54 rounds in patt and finish as given for 1st finger.

THUMB: K the 9 sts that were left for the thumb, then pick up and k 11 sts round opening. Divide these sts on to 3 needles and work 54 rows in patt. Finish as given for 1st finger.

LEFT GLOVE: Work as for Right Glove, but for the thumb opening slip the 9 sts before the last st of the round on to a spare needle, cast on 9 sts and k the last st. When commencing the 1st finger, take 9 sts from the 1st needle (the back of the glove) and slip all but the last 8 sts on to a spare needle.
